

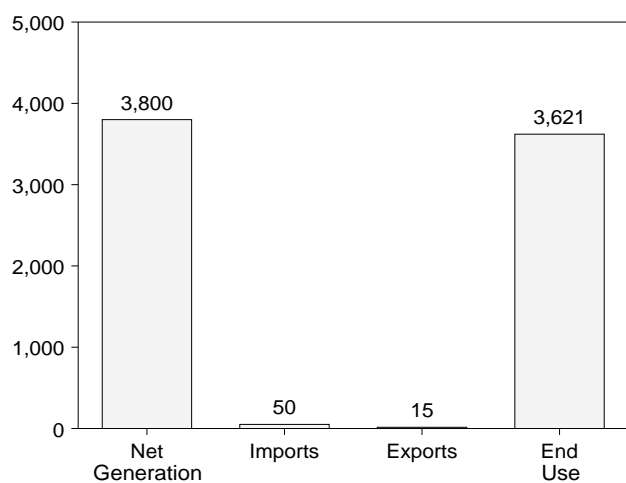

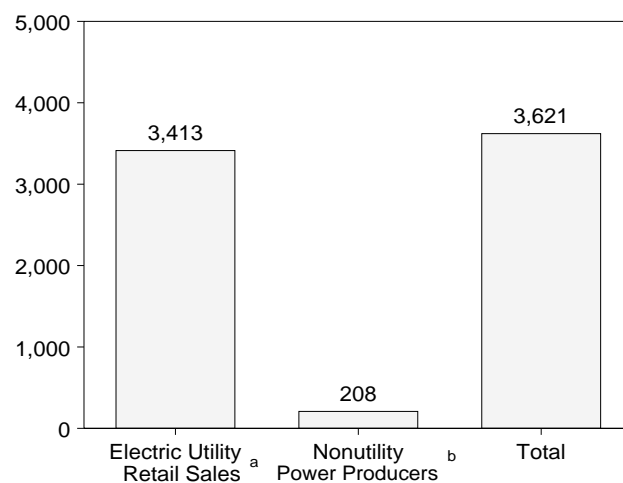

Figure 7.1 Electricity Overview
(Billion Kilowatthours)

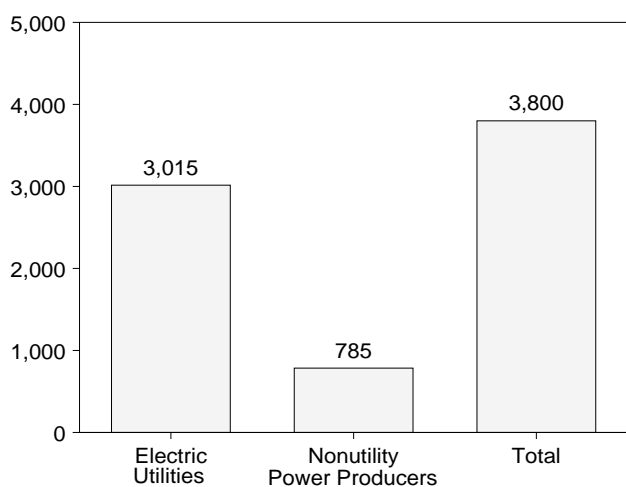

Overview, 2000

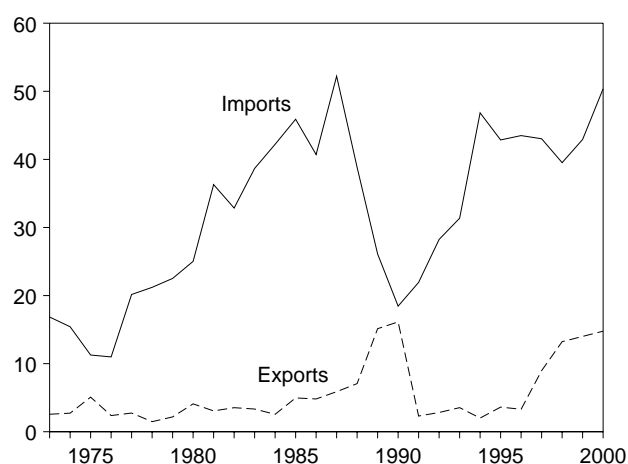

End Use, 2000

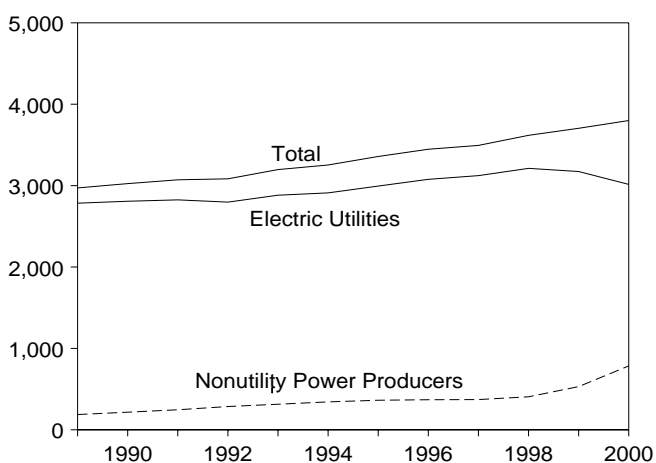

Net Generation, 2000

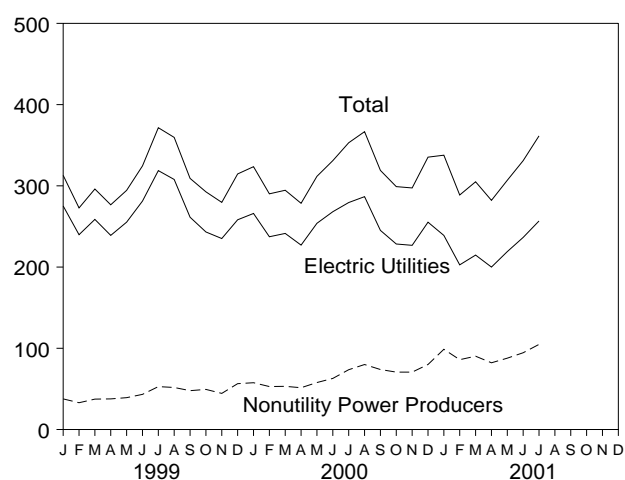

Trade, 1973-2000

Net Generation, 1989-2000

Net Generation, Monthly

^aIncludes nonutility sales of electricity to utilities for distribution to end users, and sales to ultimate consumers by power marketers.

^bNonutility facility use of onsite net generation, and nonutility sales of

electricity to end users.

Note: Because vertical scales differ, graphs should not be compared.
